The County Executive is hereby authorized to notify the Authority of the County's intent to enter into a Loan Agreement to fund all or a portion of the Projects, which notification shall include the amount of the Loan (which, together with all other Loans authorized and outstanding hereunder shall not exceed \$34,130,000) and the desired date of receipt of Loan proceeds. Each Series of Bonds shall be issued initially as variable rate bonds with the interest rate established weekly as the then market rate for seven-day obligations with similar credit quality, as provided in the Indenture. The County shall make interest payments quarterly as set forth in the Loan Agreements. Each Loan shall be payable as to principal, as determined by the County Executive to be in the best interest of the County, commencing at such time and continuing over a period not to exceed twenty-five (25) years, in accordance with each Loan Agreement.

Section 2. Interest Rate Conversion. At any time while the Loans remain outstanding, any Loan and the Series of Bonds issued in connection therewith may, in whole or in part, be converted from the Weekly Rate to the Medium-Term Rate or the Fixed Rate or otherwise converted as provided in the applicable Loan Agreement.

Section 3. Approval of Loan Agreements. The form, terms and provisions of the Loan Agreement which has been presented at this meeting are hereby approved and the County Executive and County Clerk are hereby authorized, empowered and directed to execute and deliver each Loan Agreement in the name and on behalf of the County. Each Loan Agreement is to be in substantially the form now before this meeting and hereby approved, or with such changes therein as shall be approved by the County Executive and County Clerk, their execution thereof to constitute conclusive evidence of their approval of any and all changes or revisions therein. Section 4. Pledge of Taxes. The County hereby covenants and agrees, through its governing body, to annually levy and collect a tax upon all taxable property within the corporate limits of the County, in addition to all other taxes authorized by law, sufficient to pay when due the annual amounts payable by the County under each Loan Agreement as and when they become due and payable and to pay any expenses of maintaining and operating the Projects required to be paid by the County under the terms of each Loan Agreement and, for such purposes, the County hereby pledges such tax and the full faith and credit of the County to such payments, provided, however, that the tax hereinabove described will not be required to be levied or, if levied, may be proportionately reduced to the extent of funds appropriated by the governing body of the County to the payment of the amounts described above from other revenues of the County. Such tax, to the extent levied, shall be assessed, levied, collected and paid in like manner as other taxes of the County. Such tax shall not be included within any statutory or other limitation of rate or amount for the County but shall be excluded therefrom and be in addition thereto and in excess thereof, notwithstanding and without regard to the prohibitions, restrictions or requirements of any other law, whether public or private. Any amounts payable under each Loan Agreement falling due at any time when there are insufficient funds from the tax levy on hand shall be paid from current funds of the County and reimbursement therefore should be made out of the taxes hereby provided to be levied when the same shall have been collected.

Section 5. Approval of Bonds. For the purpose of providing funds to finance the Projects and for the payment of costs incident to the issuance and sale of each Series of Bonds and of the related Loan Agreements, the issuance and sale of each Series of Bonds by the Authority is hereby approved.

Section 6. Consent to Assignment. The County hereby consents to the assignment pursuant to the Indenture of all the Authority's right, title and interest under each Loan Agreement as security for the respective Series of Bonds.

Section 7. Additional Authorizations. All acts and doings of the County Executive and the County Clerk of the County and any other officer of the County which are in conformity with the purposes and intent of this Resolution and in furtherance of the issuance and sale of each Series of Bonds and the execution and delivery of the related Loan Agreements as set forth herein shall be and the same hereby are in all respects, approved and confirmed.

Section 8. Separability. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

Section 9. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution, are, to the extent of such conflict, hereby repealed and this Resolution shall be in immediate effect from and after its adoption.
