Re: Annual Debt Report

We are pleased to present to you our Annual Debt Report in compliance with Section II.B of Hamblen County's Debt Management Policy for the fiscal year ending June 30, 2019. It is our goal to demonstrate strong financial management practices to the citizens of Hamblen County, investors, and credit agencies. This transparency strengthens the accountability for all of us. We must, and will, ensure that taxpayers' dollars are properly expended.

Hamblen County received a rating of Aa3 from Moody's Investors Service, and an AA- from Standard and Poor's during its most recent ratings. These ratings are a positive reflection of Hamblen County's solid financial position, conservative budgetary practices, and well managed debt profile. These ratings allow Hamblen County to obtain financing at lower interest rates, which in return means a lower tax burden on its citizens.

The most recent ratings are further supported by comparing selected ratios to national benchmarks. Based on the outstanding principal at June 30, 2019, Hamblen County's net debt to assessed property value is 1.36 percent compared to a national benchmark which recommends a percentage of no more than 10 percent. Additionally, Hamblen County's net debt-per-capita ratio of \$301 is considered in the very low category in Standard & Poor's classification system for setting credit ratings. Finally, Hamblen County's net debt as a percentage of personal income is .84% percent as compared to the benchmark which recommends a percentage of 4.5% percent or less. Each of these ratios individually, and in combination, reinforces the County's strong financial management practices. Hamblen County also compares favorably with surrounding counties. As of June 30, 2018 Hamblen County had the lowest per capita debt of all its six contiguous neighbors.

As we begin the 2019-2020 budget discussions, we will work with our County Commission and exercise strong financial management practices to ensure the continued financial success of Hamblen County.

In compliance with Section II.B of Hamblen County's Debt Management Policy, Anne Bryant-Hurst, Finance Director, and I present the Annual Debt Report for the fiscal year ending June 30, 2019, for your approval. Anne and I agree that the timing of this report is advantageous. This report provides invaluable information to the Finance Committee, Budget Committee, and County Commission that will allow us to adopt an adequately funded debt budget. The information contained herein will allow us to evaluate our current financial position, future funding requirements, and our ability to issue debt in the future based on capacity.

Hamblen County's ratings of Aa3 from Moody's Investors Service and AA- from Standard and Poor's are a positive reflection of Hamblen County's solid financial position, conservative budgetary practices, and well managed debt profile. These ratings allow Hamblen County to obtain financing at lower interest rates, which in return means a lower tax burden on its citizens. Hamblen County also compares favorably with surrounding counties. As of June 30, 2018 Hamblen County had the lowest per capita debt of all its six contiguous neighbors.

Additionally, I feel that this report allows us to demonstrate strong financial management practices to the citizens of Hamblen County, investors, and credit agencies. This transparency strengthens the accountability for all of us. We must, and will, ensure that taxpayers' dollars are properly expended.

We look forward to working together, so that we can, and will, prepare a debt budget that meets the needs of the citizens. Again, we are pleased to present the Annual Report as we begin to consider the 2019-2020 General Debt Service Fund Budget.

Population	63,785	64,277	63,465
Debt Per Capita	\$ 427	\$ 348	\$ 274

Debt Per Capita - This ratio is used in evaluating the county's ability to pay off its debt by taking the total principal on outstanding debt divided by the total citizens in the county.

¹ Principal amount only (any interest expense that would be due is not included)

Net Debt		\$ 14,187,327
Population		63,465
Net Debt Per Capita - S & P's Very Low Category	\$ 1,000	\$ 224

Net Debt - Net debt is the outstanding principal less the fund balance that is currently available in the General Debt Service Fund. This allows Hamblen County to determine the amount required to be collected in the future to retire the outstanding principal on its debt.

Net Debt Per Capita - Net debt per capita is calculated by dividing the net debt by the total number of citizens of Hamblen County. This is the additional amount that Hamblen County would need to collect from every citizen in order to retire its outstanding principal balance. Simply stated, if every citizen remitted an additional \$224 to Hamblen County at June 30, Hamblen County would be able to retire all of its debt excluding the interest component at one time. For comparison, Standard and Poor's classifies governments with less than \$1,000 in net debt per capita as having a very low debt burden.

¹ Principal amount less projected year-end fund balance (any interest expense that would be due is not included)

Personal Income ⁴	34,696	35,780	36,017
Debt Per Capita	1.23%	0.97%	0.76%

Debt as a Percentage of Personal Income - This ratio incorporates an ability to pay concept into the assessment of debt burden. It uses total personal income (including wages, dividends, interest, rent, and government payments) divided by total population. The lower the percentage the more desirable the measurement. A low debt per capita percentage indicates either a low debt burden or strong personal income or some combination of the two.

Net Debt as a Percentage of Personal Income - This ratio incorporates an ability to pay concept into the assessment of debt burden. It uses the total personal income (including wages, dividends, interest, rent, and government payments) divided by total population. This ratio can be utilized to determine how Hamblen County's debt load can be spread to its citizens based on their ability to pay. For comparison, a national standard uses a benchmark of not greater than 4.5% of total personal income to assess net debt. Hamblen County's current net debt as a percentage of personal income is .62%.

NOTE:

The Qualified School Construction Bonds were issued through the Tennessee State School Bond Authority and loaned to Hamblen County on December 17, 2009, in the amount of \$11,280,000. This other loan was issued at a cost of \$124,936 for capital projects related to the school department. It is important to note that the Tennessee State School Bond Authority issued the bonds and loaned the proceeds to Hamblen County and various other governments across Tennessee. Hamblen County pays interest of 1.515 percent on its share of the bonds and also pays a monthly administrative fee to the State of Tennessee. Hamblen County and the other borrowers of the bond proceeds are required to comply with federal regulations established for the Qualified School Construction Bond program. Failure to comply with those requirements may result in the loss of the tax credit status of the bonds. This would result in further charges to the borrowers (Hamblen County) including the requirements to pay the tax-credit rate (5.86 percent) in addition to the 1.515 percent for a total rate of 7.375 percent. Currently, the budget is based on the 1.515 percent and the related monthly administrative fee.

Payments are made to the State of Tennessee and deposited into a sinking fund. The State holds the sinking fund payments in escrow and will pay off the full \$11,280,000 in 2027. This schedule reflects the remaining payments required to be made to the sinking fund.

Re: Recycle Grant Contracts

The Tennessee Department of Environment and Conservation (TDEC) has awarded Hamblen County three grants to help pay for building a recycle convenience center at the landfill. TDEC did not award Hamblen County one grant it requested that would have purchased containers for the convenience center.

The Solid Waste System has agreed to purchase a container for the convenience center and to pay the matching money required by two of the grants. The grants total \$98,587. The matches are \$44,691.

I am requesting the Finance Committee recommend to the full County Commission approval of the three grant contracts.

	<u>GRANT</u>	<u>MATCH</u>	<u>TOTAL</u>
A) Convenience Center Grant	\$59,799	\$ 39,866	\$99,665
B) Education and Outreach	\$ 7,238	\$ 4,825	\$12,063
C) Used Oil Grant	\$31,550	\$ -0-	\$31,550

The Grant budgets and details accompany this memo. Do not hesitate to contact me with any questions.

Re: Healthy Built Environment Grant

The Tennessee Department of Health has awarded Hamblen County a \$20,000 Healthy Built Environment Grant. The grant funds will be used to replace the playground equipment at Horner-Dougherty Pavilion in Cherokee Park. We used a similar grant about two years ago to improve signage along the walking trail at Cherokee Park.

The grant does **NOT** require a local match.

I am asking the Finance Committee to recommend to the full County Commission that it accept the grant.
