The Attorney General of Tennessee has previously opined that members of a county legislative body may vote on a budget which includes retirement and insurance benefits for themselves as members of that body because Tennessee Code Annotated 5-5-107 (a) authorizes county legislative bodies to fix the compensation of their membership. For purposes of the Hamblen County Code of Ethics adopted by this Body on April 19, 2007, I hereby acknowledge this apparent conflict of interest; however, I declare that my argument and my vote answer only to my conscience and to my obligation to my constituents and the citizens this Body represents.
