Hamblen County Legislative Body
Resolution
September 20, 2001

Resolution Encouraging Keeping Panther Creek State Park Open

- Whereas, Panther Creek State Park has long been a noted landmark in Hamblen County, occupying a location in Panther Springs, one of the county's oldest settlements, and
- Whereas, Panther Creek State Park covers approximately 1,435 acres on the shores of the Cherokee Reservoir, an impoundment of the Holston River, and
- Whereas, Panther Creek State Park contains numerous recreational facilities such as a large swimming pool, tennis courts, playgrounds, a softball field and a soccer field, and
- Whereas, Panther Creek contains fifty (50) new campsites, each complete with a table and grill, as well as electric and water hookups. The campground is also served by two bathhouses complete with hot showers, and
- Whereas, Cherokee Lake provides year-round fishing for park visitors, and
- Whereas, two large picnic pavilions provide space for family outings or other group gatherings, and
- Whereas, recent budget cuts in State Government have forced the closure of Panther Creek State Park,

NOW, THEREFORE, BE IT RESOLVED, on this the 20th day of September, 2001, that the Hamblen County Legislative Body, based on the recommendation of its Facilities Maintenance Committee, hereby encourages the government of the State of Tennessee to keep open Panther Creek State Park.

Hamblen County Legislative Body
Resolution
September 20, 2001

Resolution Denouncing Terrorist Acts Against America on 9-11-01

Whereas, on September 11, 2001, America was suddenly and brutally attacked by foreign terrorists, and;

Whereas, these terrorists hijacked and destroyed four civilian aircraft, crashing two of them into the towers of the World Trade Center in New York City, and a third into the Pentagon outside Washington, D.C., and;

Whereas, thousands of innocent Americans were killed and injured as a result of these attacks, including the passengers and crew of the four aircraft, workers in the World Trade Center and in the Pentagon, rescue workers, and bystanders, and;

Whereas, these cowardly acts were by far the deadliest terrorist attacks ever launched against the United States, and , by targeting symbols of American strength and success, clearly were intended to intimidate our nation and weaken its resolve, and;

Whereas, these horrific events have affected all Americans. It is important that we carry on with regular activities of our lives. Terrorism cannot be allowed to break the spirit of the American people, and the best way to show these cowards that they have truly failed is for the people of the United States and their counties to stand tall and proud,

Therefore be it resolved, that the governing body of Hamblen County and its elected officials condemns the cowardly and deadly actions of these terrorists, and;

Be if further resolved, that the governing body of Hamblen County and its elected officials supports the President of the United States, as he works with his national security team to defend against additional attacks, and find the perpetrators to bring them to justice, and;

Be it still further resolved, that the governing body of Hamblen County and its elected officials recommends to its citizens to support relief efforts by giving financial donations to the American Red Cross at the nearest Red Cross Office.
